

Purchase of Travel Insurance

Effective January 1, 2009, new requirements for insurance coverage went into effect for travelling to the Schengen States. The medical evacuation/repatriation insurance has to amount to a minimum of \$ 50,000.

In order to obtain a visa a proof of travel insurance is obligatory. The validity of your policy needs to correspond to the whole length of your stay in the Schengen States AND it is mandatory that the insurance company has a claims office in one of the Schengen States (please reconfirm with the insurance company before you purchase coverage since most insurance companies do not fulfill this last requirement).

— For your convenience, please find some insurance companies stated below, which meet the requirements of the Schengen States:

- Axa Assistance – Assurance Schengen Insurance
www.axa-schengen.com

- Die Europäische
www.reiseversicherung.de , please ask for the Incoming-Komplettschutz product

- Hanse Merkur Reiseversicherung AG
www.hmr.de/reiseversicherungen/auslaendische-gaeste/visum-plus

- TRAVELEX
www.travelex-insurance.com , please ask for the Travel Plus product

- Travelinsure
www.travelinsure.com , please ask for the InterMedical Insurance product

Please submit your insurance document with your visa application package.
On our website www.germany.info/atlanta you can find the information, which other documents are necessary for your visa application.

Sincerely,

Visa Section
