

German Language Classes

German is one of the seven most important languages in the world. It is one of the 4 more used languages in the internet (Mandarin, English, German and Spanish). It is spoken by 120 million people or a quarter of all Europeans as their mother tongue and the sole or regional official language in seven European Countries (Germany, Austria, Switzerland, Belgium, Luxemburg, Italy, Liechtenstein).

Knowledge of German makes it easier to gain access to German culture and society. Speaking German improves business relationships with partners in Germany, the third largest industrial nation and one of the most important exporting countries in the world.
