

## German-American Clubs in Alabama (January 2010)

*While the German Consulate General is trying its best to keep German club information current, we rely on the German-American community to provide up-to-date information about their area. Please let us know if there are any new developments or changes and we will be happy to incorporate the information.*

### AlabamaGermany Partnership

The AlabamaGermany Partnership is an organization for facilitating collaboration between businesses and individuals with ties to Alabama and Germany. Its mission is to develop and support relationships and friendships between organizations and individuals and to increase and improve business opportunities and foster cultural exchange.
