

(Secs. 1617d, 1617e (3), 1617i German Civil Code)

If the birth of the adult child has not been registered in a German birth register, the registrar's office having jurisdiction over the declaring adult child's current or last residence or habitual residence is responsible for the effective receipt of the consent to the name declaration. Registrar's Office I in Berlin has jurisdiction only if the declaring adult child has never resided in Germany. A previous residence in Germany, even many years ago (including as a child), establishes the jurisdiction of the registrar's office responsible for that former place of residence.
